

CUBBIES (AGE 3-4) PARENT INFORMATION SHEET 2020-2021

Our 2020-2021 Awana year will look quite different due to the Covid-19 restrictions in place. As we have very limited space for Cubbies, and it is difficult to have small children physical distance, Cubbies will be parent-led this year. Cubbies will not be meeting in person at the chapel for Awana.

One bonus is that we will not have a limit on the number of Cubbies that can participate this year! Cubbies need to be 3 years old by registration night, September 8th!

On September 8th, families who have pre-registered for Cubbies can come to the chapel for registration on a drop-in basis between 7:00 and 8:00, and pick up their child's Apple Acres start zone, uniform and book. Only one family member per family can attend registration night, to ensure physical distancing can be maintained. Fees can be paid at this time by cash or check, or via e-transfer prior to September 8th.

Along with materials, parents will receive a record sheet where they can mark the date the child has completed their section. They will also need to sign their name on the parent line in the book. Please only complete one section per week (including the Apple Acres start zone).

The Cubbies Director will be available to answer any questions you may have throughout the year.

In December, the record sheets will need to be photographed and texted in, or photographed and emailed in, or scanned and emailed in. Cell number and email address to send sheets will be provided on registration night. The exact due date for the record sheets to be received in order for awards to be distributed will be provided via email and/or Facebook. The following week, one member per family will be able to come to the chapel and pick up the child's awards for that term.

The same will occur for the second term, which will end in April. If restrictions on gathering sizes are lifted by mid-April, we will consider having an in-person awards night!

If you are still interested in having your child participate in Cubbies, please pre-register!
