

## T & T (GRADES 3 - 6) PARENT INFORMATION SHEET 2020-2021

Our 2020-2021 Awana year will look quite different due to the Covid-19 restrictions in place. As we have very limited space for T & T, it is difficult to have young children physical distance, and we would be exceeding the gathering guidelines meeting in person, T & T will not be meeting at the chapel this year. T & T will be parent-led at home.

On September 8<sup>th</sup>, families who have pre-registered for T & T can come to the chapel for registration on a drop in basis between 7:00pm and 8:00pm, and pick up their child's start zone, uniform and book. Only one family member per family can attend registration night, to ensure physical distancing can be maintained. Fees can be paid at this time by cash or check, or via e-transfer prior to September 8<sup>th</sup>.

Along with materials, parents will receive a record sheet where they can mark the date the child has completed their section. They will also need to sign their name on the parent line in the book. Please only complete one section per week (including the start zone). A schedule for the T & T book Evidence of Grace (for grade 3 – 5) will be provided on registration night. Clubbers in grade 6 will be in the Ultimate Challenge books, as supply allows.

The T & T Director will be available to answer any questions you may have throughout the year.

In December, the record sheets will need to be photographed and texted in, or photographed and emailed in, or scanned and emailed in. Cell number and email address to send sheets will be provided on registration night. The exact due date for the record sheets to be received in order for awards to be distributed will be provided via email and/or Facebook. The following week, one member per family will be able to come to the chapel and pick up the child's awards for that term.

The same will occur for the second term, which will end in April. If restrictions on gathering sizes are lifted by mid-April, we will consider having an in-person awards night!

If you are still interested in having your child participate in T & T, please pre-register!
